Film Night & Discussion

Between: Living in the Hyphen
film by Anne Marie Nakagawa, National Film Board, 2005, 43 min.

The documentary examines what it means to have a background of mixed ancestries that cannot be easily categorized. It offers a provocative glimpse of what the future holds: a departure from hyphenated names towards a celebration of fluidity and being mixed.

Organized in partnership with Terrace Public Library. Movie Night will take place on the second Saturday of each month.
